

Cyber Risk Retainers

**Beyond incident response: flexible retainers
with proactive and notification services**

Rapid, effective response augmented by proactive and notification services that help protect from financial and reputational harm

Gain access to a global team of over 300 elite incident response investigators and much more. Kroll's cyber risk retainers are designed to offer maximum flexibility and include an array of proactive and notification services that ensure you get tangible value.

With a growing number of privacy and consumer protection laws mandating timely response and notification, you gain peace of mind knowing Kroll's global resources are readily available in a crisis and can leverage our expertise and end-to-end services to strengthen your overall cyber resiliency.

Kroll's customizable incident response retainers include:

- Rapid response service levels provide access to a global team of 300+ incident responders and data breach notification experts
- No minimum credit usage requirements or lead times and up to 20% of unused credits can be rolled over
- Rate discounts for hourly Kroll Cyber Risk services
- Compatible with over 50 cyber insurance carriers, under pre-negotiated rates
- Robust preparedness services, including tabletops, simulations, penetration testing, policy reviews and strategic advisory
- Flexibility to choose from a wide range of cyber services
- Technology-agnostic services can be catered to your specific security stack

PEACE OF MIND AND EXPERT SUPPORT JUST A CALL AWAY

Kroll manages over 2000 security investigations every year for clients of all sizes and complexities. We also have decades of experience helping clients notify customers affected by breaches—from a small number of individuals to situations involving millions of data subjects across multiple jurisdictions, time zones and languages. We can help you determine the right cyber risk retainer for you, beyond incident response. For peace of mind and support before and during an incident, speak with one of our cyber experts today.

GLOBAL CYBER EXPERTISE

Many of our cyber professionals bring years of unique experience from their former service with large enterprises as well as law enforcement and regulatory agencies:

- Federal Bureau of Investigation (FBI)
- Interpol
- U.S. Department of Justice (DOJ)
- Securities & Exchange Commission (SEC)
- U.K. Intelligence and Policing
- U.S. Department of Homeland Security (DHS)
- U.S. Secret Service (USSS)
- U.S. Attorney's Office
